should carry out the directions of the Board. The Commission recommended that his duties should be of a similar nature to those laid down by the Corporation of the City of London. The Ordinance does not carry out that recommendation. Every one knows what the duties of Medical Officers of Health at home are, and the duties of the officer in Hongkong should be similar, that is, he should report to and advise the Sanitary Authority and carry out the directions of that body. It is intended, however, that Surgeon-Major WESTCOTT shall be independent of the Sanitary Board, although himself a member of that body, and it will ALL these are selected by our London be incompetent for the Board to give him

Certain duties and responsibilities are thrown upon the Sanitary Board by law and if those duties and responsibilities are to be properly discharged the Board must buye a sufficient and competent staff of officers. A short time age it was proposed that the offices of Secretary to the Nanking and Poking, and an offices and defen-Board and Sanitary Superintendent should sive alliance. after removel should be rested a be separated and that a new appointment month before use. When required for should be made as Sautary Superintendent. drinking at once it should be ordered to be It was, however, agreed after discussion that

if a Health Officer was appointed a separate officer as Sanitary Superintendent would be unnecessary, but that was on the assumption that the Health Officer would he an officer of the Board. Now that it is seen the Health Officer, however valuable his services may be sonsidered by the Government, will be of no direct assistance to the Board, possibly the former proposal will be revived, and if carried into effect it will mean that the colony will have to pay for two officers where one would do. The Co- pendence of Korea, the retention by Japan of of the Hotel, des Princes; and Mr. A. H. lonial Secretary says he does not see how any the conquered places, also of the territory eastcollision could occur between the Medical Officer of Health and the Sanitary Board. Well, there may not be collision, but will WHISKY .- All our Whisky is of excellent there be co-operation, which is the important and of greater age than most thing? Not so long as the arrangement brands in the market. The Scores now decided upon continues. The Me is universally dieal Officer will have no control over the popular, and is prenounced by the best local Sanitary Board's staff of Inspectors, and councisseurs to be superior to any other what good he can effect without the assistance of such a staff we fail to see. As the Hon. Ho Kai remarked, the officer ought to take charge of the inspecting staff and see that We only guarantee our. Wines, and Spirits they carry out their work in a proper manto be genuine when bought direct from us in per. But as he is not to be himself an officer the Colony or from our authorised Agents at of the Board, the Board cannot give him authorsty over its staff, and the appointment of Surgeon-Major WESTCOTT Seems likely therefore, to serve no useful purpose. appointment has evidently been made in a spirit of hostility to the Board and under conditions intended to carry out the dis-20 astrous policy hitherto pursued of endeavouring to cast heavy responsibilities upon the Board while refusing it the necessary means of carrying out its duties. It has not been stated to what department Surgeon-Major WESTCOTZ is to be attached, but he is not to belong to the Sanitary Department. Will he then belong to the Colonial Surgeon's Department or form a separate department

services are not to be placed at the disposal

of the Sanitary Board the Board will require

another officer, and as the Sanitary staff will

in himself? In either case the appointment seems likely to prove an expensive one for the colony. As Surgeon-Major WESTCOTT's

final tableau. As the audience left the Theatre expressions of approval were heard on all The Acting Attorney-General, in opening the hands and the A. D. C. may congratulate itself case, detailed the charges, and explained that on on having scored a complete success. Mr. E. 23rd March the British barque Launberga was at Iloilo, and in consequence of instructions from needless to say, the duties of that important the authorities there all leave was stopped. This order caused some friction amongst the crow. committee was composed of Messrs. G. A. Caldwell, C. H. Grace, E. W. Mitchell, H. C. Nicelle. and the climax was reached about six o'clock in the evening, when a quarrel arose, between the J. Orange, G. G. Brady, hon. treasurer, and first mate and Brown. Brown was not content with knocking the mats down, but he threw a By kind permission of Major the Hou. E. lump of scal at him. About that time the Noel and officers, the Band of the Bifle Brigade captain went on the scene with a revolver. prisoners and two other men. Schumen and Kelly," both of whom are dead, made an attack apon the captain with open knives, and just about that time Godz waki struck the staward with has list, and Brown stabbed the steward in the shoulder. Kelly struck the captain in the HONGKONG ORICKET CLUB LAWN forehead with a knife, causing an ugly wound and the captain fired his revolver twice and shot his assailant dead. Prisoners then seized the captain, and in the struggle which ensued Abrams used threatening words, Captain's grasp and threw it into the sea. The captain then went to his cabin, and Brown and Godzokski went to the cabin window and threatened the captain with their knives. The

> were errested. Evidence in support of this statement was given, and the captain was cross-examined by the prisoners, who sought to show that the captain had made use of various abusive epithets, but the captain denied using such language. the crew hamed commend said he exclaimed efore a shot was fired. " Shoot, captain, shoot. Witness considered their lives were in danger

as the prisoners were using open knives. the first three prisoners' defence was the they were ill-used, and that the captain shot Kally with at any provocation, and Godzowski. away from the captaid, to prevent him from doing further mischief.

Land made a long speech, in which occurred the following contenues :- When we got to Manila I asked some one whether he was the British Consul. He said "Yes." I said. " Wel I charge MoDougall with wilful murder." He ordered me to shut up, and said he would hear nothing against the captain. It is a common occurrence for Nova Scotismen to draw their revolvers apon men forward and it is very seldom that a Nova Scotisman gives fair battle If a forward man gets the best, the whole after gang come forward, and that man gotes licking. You are never called by your name on board a Nova Scotia ship. Its "Hi, there, you son of a -- go along with you --- lime juider. If you are sent aloft to do a job, its " Now then

your heart, none of them Queen Victoria moves. His Lordship-Is it to your advantage to use that sort of language in Court P If you think it is necessary, do so; but if you do not think so. do not use such language. We do not want to hear more of that language.

The prisoner Land -I do think so. I want to show how sailors are treated abourd that ship. compelled to eat rotten meat or starve. then he takes the officer's part. He never more worthily deserved. - China Mail.

troubles to flud out, who is in the right, as his

articles demand him to. It was not until the

mate was getting the worst of it, that the captain pulled out his revolver. Is that muliny seldom been seen, resulting in a victory for Cap- or cold-blooded murder P. Is it mutiny and atwas no one to take the latter gentleman's place | der on his? The only thing we did was to wrest ceeding in leading him by two holes on the first did commit murder. We could have killed every Mr. J. W. Mathews. Royal Artillery. 54 holes left the peop. L. Darby is always a success in old man's floor of 212. Queen's Road West and found the from sporadio cases of this disease. We can every sense a game worthy of the occasion. Who only try to improve the hygienic conditions of can forget the memorable stand of the brothers these two colonies, so that the microbes may E. M. and W. G. Grace, the follow-on of

> BOATING ACCIDENT OFF LAI-CHIKOK.

GALLANT RESCUE FROM DROWNING.

Mesers, Shewan and Co., Mr. W. N. Humphreys, Lyttelton, Barnes, Shaw, and Morley. It appears and Mr. L. A. Sutton went out for a sailing a trifle strange in the year of grace 1895 to read pionic in a small sobooner. The day was a of an English team taking the field without a pleasant one for a day's outing upon the water, single Yorkshire representative; but at that and nothing exciting was experienced on the ran | time it was considered absolutely the strongest to Laichikok Bay, where the party went ashore eleven England could get together. Had Yorkand partook of tiffin. All sails were set and sairs been represented, George Ulyett or Tomthe schooner was started off upon a orni e ju a Emmett would have been the probable selection. light breezs. The sea was very choppy, and as The Tykes have come "back again" with a knows there is always a stiff current ranging safely asserted that the splendid victory just through the Capanimoon Pass from the Canton achieved by our men in Australia will always River. Suddenly the little sraft was struck by a by associated with the name of J. T. Brown, strong squall off the land, and before her orew the Yorkshireman.

could do anything to enable her to recover her equilibrium she was struck by a second equall, which healed her over so much that she filled with have been wondering whether any of our cricket . water and sank within a minute, leaving her unfor- goets will favour us with a few verses commemotunate crew struggling in the water. The point rative of the great event. Assuredly the theme at which the accident occurred was from a mile is worthy enough. I am quite with Mr. Edmund to a mile and a half off the land at Laichikok. V. B. Christian when he says in his charming The position of the party-all young men-little volume "At the sign of the wicket":was precarious in the extreme All were fully "The aristocracy of verse, the hierarchy of the plothed, the current was carrying them away Poets' Corner, have neglected the national from the pearest land, and assistance could be expected only from some junks anchored them. By all the definitions oricket should be over balf a mile away. Stopani is an ext the source of melody. Is poetry a criticism good to look after himself, but Stevens and and best. There is a lyric ecstacy in the bow-Sutton, while able to swim, were soon in diffi- ler when, 'fit' and full of battle, he runs to

culties, ham pered as they were with their heavy the crease. Does postry," asks Mr. Christian, clothing. Hamphreys started to swim for the "consist of the best words in the best place?" land, but Stopani, recognising the shear impossi- Then not out is the very soul of poetry. bility of swimming eshere against the strong Few who have watched or participated in the current, called to him to remain with the game will be inclined to cavil at this; and I am others and take the chance of being resound by hopeful that one at least of our present-day a passing craft. Stopaui had little difficulty in divesting himself of his clothes, and he verses on this latest achievement. Going back. made an unsuccessful effort to assist Stevens safar as 1856, we find "James Love, Comedian," to get rid of a heavy yachting jersey. Hum- immortalised the Kent v. England match in phreys got off his jicket and vest, in which verse, and I must own that I rather like his latter were his watch and chain. Sutton, the lines. He opens with a fine burst while Land took the revolver from the swimmer, seems to have become almost paralysed First of all sport! be first alike in fame. with fear, and Stopani at once proceeded to his

assistance; supporting him for upwards of twenty minutes, Humpheys swimming alongside. They were carried by the current some 150 yards away prisoners afterwards went ashore, where they from Stevens, whom the others thought had gone down; and Stevens, when afterwards researed in a very exhausted condition, is reported to have given up all hopes of resone. The choppy see proved exceedingly troublesome to the whole of the swimmers, but especially to Satton and Stevens, undivisted of their clothes and shoes. There was no desire on the part of any of them to waste their strangth in shonting

for assistance, but Stopani's efforts were successful in attracting the attention of some of the Chinese in the distant junks, and a small dingby was put off to the rescue. With the greatest difficulty, Sutton was helped into the dingby. the shots were fired. They took the revolver and then Stopani swam off in the direction teo exhausted to do more than hing on to the boat. It seemed at 3rst that Stevens was past all aid, as he was unable to auswer Stopani's cries, but at last he was picked up and they swam together towards the dinghy. Sutton and Stevens lay perfectly exhausted at the bottom of the dingby, which was so small that the others were unable to get in and had to be content to Williams and Mr. Wolff, of the revenue cruiser following-lines have reference to the absence of hang on to the gonwale. By this time, Mr.

Kwongsing, became aware that something was amiss, and they got out an eight-oared gig with primingadable despatch and picked up the whole party and took them on board the craiser, where they were treated with the ntmost kindness and supplied with restoratives and warm, dry clothes. The Kwengsing afterwards landed them at Kow-The adventure was one of the most exciting

that has taken place in Hongkong Harbour for many years. The wonder is that, considering the conditions under which the accident nocurred no futalities have to be recorded There, is not the slightest doubt that had it not been for the unselfish gallantry of young Stopani, one of the most popular members of the V.R.C. Sutton would most certainly have men joins a Nova Scotia ship, he simply signs lost his life, whilst Stevens' escripe was, to say away all liberty and respectability. We are the least, providential. We have no doubt His We Excellency the Governor, so soon as he has anthenticated the facts we have given above, will mouths. A box of most was opened in Manila, see that Stopan's gallantry is brought to the and there were maggets in it. The captaln of a notice of the Royal Hunane Society with a Nova Scotia ship never interferes in a row, strong recommendation for the award of the unless the officer has got the worst of it, and medal of that Society. Such an award was I

A COUPLE OF CATCHES AND A MISS. tyral maton of 1860 has brought to my mind several other brilliant feats in the field, for all of which I cannot here find room. For a downright sensational astah, one that ninety-nine HONGKONG TIDE TABLE. out of every hundred, would probably never dream of bringing off, I think the palm must be awarded, so far as my experience goes, to H. 19rs To 25TH APRIL O. Whitby, who, about ter years or so ago, RIGH WATER LOW WATER. bowled with marvellous success for Oxford University, especially against the Australian team of his year. I do not at the moment remember Height. Alena Time. the exact match-I have some notion it was a Somersetabire match, and that the hit was made by Nichols. At any rate, Whitby was fielding at mid-off-a position in which he F. was always brilliant-and the bateman hit Sat. the ball high over his head, for which the fieldsman ren sideways, the ball apparently 8. going right away from him. Suddenly Whitby M. sprang juto the air, a yard if an inch, and seemed. to evertake the ball in the air. To the utter astonishment of everyone on the field, he came w. down with the ball safely in his grasp, whilst the orowd reared their appreciation, in which every 9 43 6 3 11 player joined. The Ozonian was always of a modest, retiring disposition, and when the field tidal observations of 1887 and 1888, as 5.87 feet above zero of the tide-gauge at the Kowloon Tidel Observatory; and the Low-water Ordinary Spring-Tides, to whichdatum the heights in these Tables are referred, as 3.87 feet above zero. crowded round him to offer their congratulations, be looked to the ground and blushed like a schoolboy of twelve. Bonuor is again connected The heights in the Tables marked with annua sign (-) are below Low-water Ordinary Spring-Pitts, and should be subtracted from the constant given above. with a grand catch, in which a celebrated Yorkshireman distinguished-bimself. Of course, & mighty hitter like the Australian giant was bound to give chances now and again. This is THE WEATHER. how "Pendragon "referred to the incident, and no one will, I am sure, aconse the talented Henry BUNA COAST METEOROLOGICAL BEGISTER Sampson (now, alas, lying at rest) of exaggora-17TH APRIL, AT 4 P.M. tion. It was in the course of an England-Anotralia match at Lord's in July, 1884:-"Talking of catches, that must have been an swinly venturesome piece of business on the part of Ulyett when he got aid of Bonnor. Ulyett, who was bowling, delivered a ball which the batsman struck at and hit with all his might. 29.46 63 Spectators saw the blow delivered, heard the smack, and looked averywhere but in the right place for the projectile. Instead of being far, Foothow far away, it was in the hand of Clyett, who when he showed it and then threw it sloft, was supposed to have given up oricketing for conjuring, and to have this time been ringing the changes. To such as, like myself, can never see Victoria Peak. a swift catch made without painfully unplea- Gap Rock sant reminiscences obtending themselves, a Macao performance of this sort cannot be praised too highly. There is still another reason why it. should receive its full share of attention. After | Manila a match like that just decided, the batsmen get | Cape S. James an undue share of the honours. Everybody looks at the score, sees what Soundso and Whoisit | Wladivostock ... shoes with the bowling analysis and the explan. Foodhow..... story matter; often enough a most important Amoy match has been won by the outings as much as | Auping by the innings, without the general public giving | Swatow is very nicely worked in but I have now Huthow to record a mies. This was in a match against e .e of the Anstralian teams, in 1886 it was. I ismoy, and the Cornstalks had ruttled up a fairly big score before the swarthy Boyle came in., Following the example of his comrades, the light E winds : flue, hasy. dark-bearded batsman showed a disposition to "clout" the bowling about. Then W. G. Grace had a try with the ball. Far away at the Hongsong Registric boundary line at " square-leg was stationed George Ulyett, always admitted to be the l'cevique | Un date | On date day 4 p.m. at 10 a.m. at 4 p.m possessor of a safe pair of hands. He had been stationed there so quietly and unostentationaly flaremeter leg stump, a deliciously soft thing to spank to the boundary. Boyle let out, and away sailed the ball straight to the spot where Ulvett was waiting for

it. Not an inch had he to move. The ball fell

plump and plain into the Yorkshireman's han is-

afterwards hit away merrily for 80 or 40, and I

darensy W. G. had a word with "Jaurge" in the

but he dropped it! The cheers on the lips of the crowd turned to something very like a mosn, while! Dr. Grace swept round and glared as he uttered "Jearge!" in a deep, thunderous tone that reverberated all over the ground and sold and so

parilion afterwards. This must close my budget Honeyone Observatory, 18th April, 1895,

F. G. F100,

First Assistant.
